## ABOUT ME

My name is Smit Morjariya, and I have completed my Bachelor of Engineering in Computer Science and Engineering from Noble Group of Institutions, Junagadh, affiliated with Gujarat Technological University (GTU). I have a strong passion for Web Development and specialize in front-end technologies such as HTML, CSS, JavaScript, Tailwind CSS, and React.js. Throughout my academic journey, I have worked on several projects that strengthened my skills in building responsive, user-friendly, and visually appealing interfaces. I am eager to further enhance my development expertise and gain real-world experience by contributing to meaningful projects. I am currently seeking an internship opportunity in the field of Front-end Web Development,
